

# Rinsha k MERN STACK DEVELOPER

6238045181 | rinshajouhar5181@gmail.com | [Linkedin/](#) | [Github](#) |

---

## PROFILE

Mern-stack developer with a strong focus on front-end technologies and expertise in React.js, creating scalable applications.

- Skilled in optimizing web applications for performance and responsiveness, with a focus on user-centric designs.
  - Proven ability to collaborate effectively in team environments, manage time efficiently, and troubleshoot technical challenges.
  - Expertise in React.js, Nodejs, MongoDB, and using Agile methodologies to deliver high-quality projects on time
- 

## SKILLS

Frontend: React, Redux, HTML, CSS, JavaScript

Leadership Skills

Backend: Node.js, Express and MongoDB

Analytical Thinking

Excellent communication and time management skills

Strong problem-solving and analytical skills

---

## PROJECTS

### PetShop - E-Commerce | React.js, JavaScript, HTML, CSS, Tailwind, JWT Token, Routing | [GIT](#)

- Developed a secure e-commerce platform using React.js, with JWT token-based authentication for protection.
- Created login, product, and checkout pages, utilizing React components to streamline user interactions.
- Integrated REST API calls to retrieve and display products dynamically, ensuring fast and secure data fetching.

### Social Media App - Pinterest Clone | HTML5, CSS3, JavaScript, React.js, Tailwind, React Slick, RESTful API | [GIT](#) | [LINK](#)

- Developed a dynamic Pinterest-like platform using React.js, integrating a RESTful API for seamless content management and user interaction.
  - Implemented React Router for intuitive navigation, enhancing user experience and ensuring smooth transitions between boards and pins.
  - Utilized techniques to optimize performance, reducing initial load times by 35% and increasing user engagement.
  - Designed a responsive layout with Tailwind, ensuring compatibility across various devices and screen sizes.
  - Achieved a 70% increase in user engagement by optimizing user interactions and refining the routing structure, providing a more immersive and seamless experience.
- 

## EDUCATION

**B.SC. Computer science**

**November 2021 – June 2024**

KAHM Unity Women's College, Manjeri

---

## INTERNSHIP

Bridgeon, Manjeri, Malappuram

**June 2024**

- Assisted in the development of web applications using React.js and Redux.
  - Gained hands-on experience in building and integrating RESTful APIs with Node.js and MongoDB.
  - Collaborated with a team of developers to design and implement efficient user interfaces and improve application performance.
  - Developed features such as form validation, state management, and dynamic content rendering.
  - Participated in code reviews and debugging sessions to ensure code quality and maintainability.
  - Gained exposure to agile methodologies, version control (Git), and continuous integration practices.
-
